MAYOR AND COUNCIL

REQUEST FOR QUALIFICATIONS
FOR
ENGINEERING SERVICES
RFQ 2023-02

Date of RFQ Released – 01-04-2023

General

The City of Jasper is seeking qualified professional civil engineering firms to assist with its implementation of various general civil, environmental, and transportation projects. This contract solicitation will allow engagement of qualified teams that can deliver these services to the City in an independent, professional, and comprehensive manner. Responding firms should have a strong record providing engineering services to local governments in Georgia and experience in working on Federally Assisted Projects. This RFQ is anticipated to cover a period of 18-months. Separate work orders will be developed for each project during this time. The City of Jasper may select a different consulting engineer from the respondents to this request for each project using the selection criteria provided in this request for qualifications.

Scope of Work

The City of Jasper is soliciting qualifications from engineering firms able to provide the following services to include (but not limited to) concept report preparation and validation, utility plans, preparation of displays for public meetings, surveys and mapping, preliminary construction plans, final right-of-way plans (including staking of right-of-way), erosion control plans, structural plans, permit assistance, and final construction plans.

Typical projects may include developing the scope of construction; development of concept, preliminary, and final design documents; environmental documents; utility coordination and relocation plans; right-of-way plans and documents; specifications and bid documents; contract administration. Typical projects will generally fall into the following categories:

- Utility Improvements and Relocations (Water, sewer, and stormwater infrastructure)
- Large Transportation (New alignments, road widening, repairs and maintenance)
- Small Transportation (Sidewalks/Paths/Trails – Pedestrian or Multi-use)
- Site Development/Public Buildings

PROPOSAL FORMAT

All proposing firms shall submit an original of their proposal, as well as a flash drive with PDF copy, that includes the following information and documents in this order:
