CERTIFICATION

I hereby certify my company/myself is doing the job listed and I am the holder of a state license and current business license in the county where the business is based. I will comply with all codes and ordinances adopted by the City of Jasper that pertain to the construction of this structure. In the event of any change in my status on this installation, I understand that I will be held responsible for all indicated work at this job until the Building Official has been notified, in writing, of any change. I further agree to indemnify the City and its operator from any liability for damages and loss of property if the work performed by our firm has not been installed in accordance with these codes and ordinances.

_____

Contractor's signature

A copy of the contractor's trade license, business license, and driver's license is required by the City of Jasper to obtain a trade/building permit.
